

## Tuolumne County Gubernatorial Recall Election, September 2021

Voters of Tuolumne County,

The September 14th Recall Election is just ahead and your ballot may have arrived. The important actions are to vote **YES** to the Recall and select a replacement that will do a much better job addressing Crime, Wildland Fires, Homelessness, Open Borders, High taxes and all the other recent Law, Policy and interference detrimental to our families and community here in the State we love.

There are forty-six candidates asking for your vote and we would like to draw your attention to one in particular; Larry Elder. Look him up! Catch some of his interviews. We hope you will agree that Larry Elder has a workable vision for addressing the most important issues facing California, is ahead in the polls, has broad support and is Nationally recognized as electable.

The rules are simple, the candidate with the most votes wins. If our votes are spread across too many candidates, we run the risk of losing the opportunity for a conservative win. There are far more potential voters on the other side that can dilute our vote. The point is that we need to consider the most electable candidate and focus our collective energy for the win.

There are two campaigns. The first is the RECALL; vote YES. The second campaign is to place a strong conservative in as Governor and set up 2022 as our next opportunity to drive positive change in California for all Californians. We need everyone to get their ballots completed and in by September 14th and encourage family and friends to do the same.

Sincerely,

Tuolumne County Republican Central Committee
